

"I've got a theory that if you give 100% all of the time, somehow things will work out in the end." -Larry Bird

Dwight Pendexter
Vice President and Financial Consultant
dpendexter@northeastfinancialservices.com

Dwight has been in the financial services industry since 1986 and joined Northeast Financial in 1999. Prior to joining Northeast Financial, he was Managing Principal with Financial Benefit Services for thirteen years. Dwight is committed to providing his clients with sound guidance on how to most effectively manage their financial resources. After reviewing/evaluating his clients' goals and priorities, he partners with them to develop short and long term strategies that best meet their specific financial needs. One of Dwight's specialties is Executive Benefit programs.
