## **Savings & Tax-Advantaged Account** **SOLUTIONS**

### **SAVINGS ACCOUNTS**

Savings starts with the first deposit, and at Northeast we make it easy. Whatever your needs—a new car or RV, dream vacation, new home, emergency fund, education, retirement, or just good financial health—they are all great reasons to start a savings plan today. And, our savings products are designed to fit into your plan—to achieve personal financial freedom.

#### **Money Market Accounts<sup>1</sup>**

Enjoy the best of both worlds: higher interest rates than a traditional savings account, plus check writing ability!

#### **Regular Savings**

Track your progress monthly with a Statement Savings Account, and enjoy ATM access, too! Our Youth Saver has no fees and is offered to young people under the age of 18 to help start good savings habits early.

#### **Certificates of Deposit**

Make your money work for you! Certificates of Deposit (CDs) earn higher interest rates and are fixed according to the term of the CD. Competitive fixed rate CDs are available to help you manage your earnings. Let us know your preference—from 30 days up to 5 years and beyond—and we'll tailor a CD plan to meet your schedule and goals.

#### **Club Accounts**

What you don't see, you don't miss! Christmas Clubs and All-Purpose Clubs can help you start saving with a fixed payment plan. The amounts are up to you. Payments can be made with a coupon

book, but better yet, take advantage of automatic withdrawal from your checking account.

### **TAX-ADVANTAGED ACCOUNTS**

#### **Individual Retirement Accounts (IRAs)**

Whether you need a Regular, Spousal, Roth or SEP account, Northeast has the options available for your retirement. And if you're not sure which is best for you, our experts in Retirement Planning can help.

#### **Health Savings Accounts (HSAs)<sup>1</sup>**

Beat the high cost of health care by starting a Health Savings Account to help cover future medical expenses. Health Savings Accounts are money market accounts designed to help people with qualifying high-deductible health plans pay for out-of-pocket medical costs.

#### **Coverdell Education Savings Accounts (CESAs)<sup>2</sup>**

A CESA is a non-deductible account which features tax-free distributions, provided that the funds are used for educational purposes. And, anyone can contribute to a CESA.

#### **Notes:**

<sup>1</sup> Restrictions may apply.

<sup>2</sup> As with any tax and retirement investment accounts and plans, speak with a qualified Financial Consultant for full details.
